Judges are not required to wait for dogs. They will adhere as closely as possible to the judging schedule printed in this program. The owner or handler of each dog is solely responsible for having it ready at ringside when its class is to be judged. The show-giving Club and Superintendent have no obligation or responsibility for providing service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required. Being an unbenched show, you need to be at show only in time for your judging and may leave any time after judging. Numbers before each Breed represent the number of dogs entered in (1) the regular dog classes; (2) regular bitch classes; (3) Specials Only, Best of Breed or Best of Variety Competition; and in (4) Non-Regular classes.

For your convenience, the following class divisions have been carefully tabulated; however, neither the Club nor the Superintendent assumes responsibility for absolute accuracy.

### MEET THE BREEDS

For an exhibitor wishing to sign up for a time on Saturday, December 8 & Sunday, December 9, 2018, please contact Stan Matsumoto at [ssstarley1@comcast.net](mailto:ssstarley1@comcast.net). We are also encouraging currently eligible & soon to be accepted Miscellaneous Breeds to join. To best represent your breed, we suggest bringing a well-mannered example or examples, a breed standard to hand out, a brief history, pictures & how to find a responsible breeder (AKC has some good basic information on this). Educating the public to our various breeds & their inherent traits can only help all involved in the sport of dogs.

If you see the booth empty, please consider giving 15 or 20 minutes of your time & help us educate the public. This is the place to let the public ask questions about your specific breed.
