Designated ramp breeds may be examined on the ground or on a ramp during breed judging according to the sole discretion of the judge & not the exhibitor. The entire entry in that breed is to be examined on the ground or on a ramp. Approved ramp breeds: English Springer Spaniels.

A judge requesting the use of a ramp must give reasonable notice to the Show Superintendent prior to judging. AKC approval is not required. This policy extends to Junior Showmanship, the 4-6 Month Beginner Puppy Competition, the AKC National Owner Handled Series (NOHS), and all other special attractions that offer Group and BIS competitions.

The list of Table and Ramp breeds can be found on the AKC Website under Conformation Judges - Announcements.

Emergencies In emergency situations, with the approval of the Show Chair, breeds customarily examined on the ground may be examined on a ramp, not on a table. An emergency is defined as a temporary condition that arose immediately prior to or at a dog show. Convalescence from a medical procedure, illness and recuperation from injuries are examples of conditions that are not emergencies. The emergency use of a ramp may be allowed on a day and may be extended to include a cluster as well as judging either a group and/or Best In Show.

(In all but emergency situations, the exhibitor has no recourse. In an emergency situation, where use of a ramp is not indicated in the premium list, an exhibitor has the option of withdrawing their entry and receiving a refund).
